

The Rodriguez Family

Missionaries in Panamá

April 2011

Dear Pastor and Friends,

As we write this letter to you, we pray that you are doing well and for God to shower you every day with His blessings over you and your ministry. Thank you for your financial and spiritual support.

God has been good to us, supplying our needs and helping us with the work that He has given to us here in Panama. This April marks our 6th year since we arrived and started the ministry in Panama. It seems like just yesterday that we arrived; the time has flown by and that is why with each passing day our burden grows bigger to do more for God because the time that is left is short.

In the month of April we printed over 10,000 gospel tracts for different churches in Panama and we just received more requests from other churches that also need gospel tracts. We thank the Lord for the \$250.00 offering towards the printing ministry given by New Jerusalem Baptist Church in Virginia. Through the printing ministry, "Printing for Christ", we are flooding Panama with the gospel.

In March the Seminary at Iglesia Bautista Biblica de David began classes and I had the opportunity to teach the first two classes. We are excited to have two men from our church that have decided to take Bible classes this year. Glory to God!

The rent prices in Boquete are very high and sadly to say we are not able to continue to rent the area we were using for the bible studies in Boquete. There are some that are traveling from Boquete to the church in Dolega and we cover the bus fare. Pray that the Lord will provide a place where we can continue to have services in Boquete.

God has given us more than 40 teens that are coming faithfully to church and we are excited to see them becoming active in the church. We are constantly praying and working with these teens. Please pray for their spiritual growth.

My wife is well and so are the kids; Evelyn is in first-grade (home school).

Thank you for your prayers and support for the Rodriguez Family. You encourage us to keep moving forward!

Sincerely your servants in Christ,

Rafael, Tracy, Evelyn, Emily,
& Rafael Jr. Rodríguez
